TRADEMARK SECURITY AGREEMENT

TRADEMARK SECURITY AGREEMENT dated as of May 27, 2010 (this “**Agreement**”), among **NEXTMEDIA OPERATING, INC.**, a Delaware corporation (the “**Borrower**”), located at 6312 S. Fiddler’s Green Circle, #205E, Greenwood Village, CO 80111, **NEXTMEDIA GROUP, INC.**, a Delaware corporation (“**Holdings**”, and together with the Borrower, each a “**Grantor**”), located at 6312 S. Fiddler’s Green Circle, #205E, Greenwood Village, CO 80111 and CREDIT SUISSE AG, CAYMAN ISLANDS BRANCH (“**CS**”), as collateral agent (in such capacity, the “**Collateral Agent**”).

Reference is made to (a) the Guarantee and Collateral Agreement dated as of the date hereof (as amended, supplemented or otherwise modified from time to time, the “**Guarantee and Collateral Agreement**”), among the Borrower, Holdings, certain subsidiaries of the Borrower from time to time party thereto and the Collateral Agent and (b) the Credit Agreement dated as of the date hereof (as amended, restated, supplemented or otherwise modified from time to time, the “**Credit Agreement**”), among the Borrower, Holdings, the Lenders party thereto and CS, as administrative agent and collateral agent. The Lenders have agreed to extend credit to the Borrower subject to the terms and conditions set forth in the Credit Agreement. The obligations of the Lenders to extend such credit are conditioned upon, among other things, the execution and delivery of this Agreement. Each Grantor (other than the Borrower) is an affiliate of the Borrower, will derive substantial benefits from the extensions of credit to the Borrower pursuant to the Credit Agreement and is willing to execute and deliver the Guarantee and Collateral Agreement and this Agreement in order to induce the Lenders to extend such credit. Pursuant to the Guarantee and Collateral Agreement, the Grantor is required to execute and deliver this Agreement. Accordingly, the parties hereto agree as follows:

SECTION 1. Terms. Each capitalized term used but not defined in this Agreement has the meaning given or ascribed to it in the Guarantee and Collateral Agreement. The rules of construction specified in Section 1.01(b) of the Guarantee and Collateral Agreement also apply to this Agreement.

SECTION 2. Grant of Security Interest. As security for the payment or performance, as the case may be, in full of the Obligations, each Grantor hereby assigns and pledges to the Collateral Agent, its successors and assigns, for the ratable benefit of the Secured Parties, and hereby grants to the Collateral Agent, its successors and assigns, for the ratable benefit of the Secured Parties, a security interest in all right, title or interest in or to any and all of the following assets and properties now owned or at any time hereafter acquired by such Grantor or in which such Grantor now has or at any time in the future may acquire any right, title or interest (collectively, the “**Trademark Collateral**”):

(a) trademarks, service marks, trade names, corporate names, company names, business names, fictitious business names, trade styles, trade dress, logos, other source or business identifiers, designs and general intangibles of like nature, now existing or hereafter adopted or acquired, all registrations and recordings

thereof, and all registration and recording applications filed in connection therewith, including registrations and registration applications in the United States Patent and Trademark Office (or any successor office) or any similar offices in any State of the United States or any other country or any political subdivision thereof; and all extensions or renewals thereof, including those listed on Schedule I;

(b) all goodwill associated therewith or symbolized thereby;

(c) all other assets, rights, and interests that uniquely reflect or embody such goodwill, but excluding in all cases any intent-to-use United States trademark application for which an amendment to allege use or statement of use has not been filed under 15 U.S.C. § 1051(c) or 15 U.S.C. §1501(d), respectively, or, if filed, has not been deemed in conformance with 15 U.S.C. §1051(a) or examined and accepted, respectively, by the United States Patent and Trademark Office ((a), (b) and (c) collectively, the “*Trademarks*”);

(d) the right to sue or otherwise recover for any and all past, present and future infringements and dilutions thereof,

(e) all income, royalties, damages and other payments now and hereafter due and/or payable with respect thereto (including payments under all licenses entered into in connection therewith, and damages and payments for past, present or future infringements and dilutions thereof), and

(f) all other rights of any kind whatsoever accruing thereunder or pertaining thereto, together in each case with the goodwill of the business connected with the use of, and symbolized by, each of the Trademarks and all other similar assets, rights and interests that uniquely reflect or embody such goodwill, provided that the grant of the security interest hereunder shall not include any application for a Trademark that would be deemed invalidated, canceled or abandoned due to the grant and/or enforcement of such security interest unless and until such time that the grant and/or enforcement of the security interest will not affect the status or validity of such Trademark application or resulting registration.

SECTION 3. Recordation. This Agreement has been executed and delivered by each Grantor for the purpose of recording the grant of security interest herein with the United States Patent and Trademark Office. Each Grantor authorizes and requests that the Commissioner of Patents and Trademarks record this Agreement.

SECTION 4. Guarantee and Collateral Agreement. The security interests granted to the Collateral Agent herein are granted in furtherance, and not in limitation of, the security interests granted to the Collateral Agent pursuant to the Guarantee and Collateral Agreement. Each Grantor hereby acknowledges and affirms that the rights and remedies of the Collateral Agent with respect to the Trademark Collateral are more fully set forth in the Guarantee and Collateral

Agreement, the terms and provisions of which are hereby incorporated herein by reference as if fully set forth herein. In the event of any conflict between the terms of this Agreement and the Guarantee and Collateral Agreement, the terms of the Guarantee and Collateral Agreement shall govern.

SECTION 5. Counterparts. This Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original but all of which when taken together shall constitute a single contract. Delivery of an executed signature page to this Agreement by facsimile transmission shall be as effective as delivery of a manually signed counterpart of this Agreement.

SECTION 6. Further Assurances. Each Grantor further agrees to execute and deliver to the Collateral Agent any and all further documents and instruments, and do any and all further acts which the Collateral Agent (or the Collateral Agent's agents or designees) reasonably requests in order to confirm this grant of security interest in and to the Trademark Collateral.

SECTION 7. Applicable Law. THIS AGREEMENT SHALL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAWS OF THE STATE OF NEW YORK.

[Remainder of this page intentionally left blank]

IN WITNESS WHEREOF, the parties hereto have duly executed this Agreement
as of the day and year first above written.
